

TV-NW1940P

(R-G-B-W)

LED19*40W Par light-zoom

Optical system

Light source: Light source: 19*40W RGBW.

Lifespan: $\geq 20000\text{H}$

Zoom angle: $5^{\circ}\sim 50^{\circ}$

Effect

Linear dimming: Electronic linear dimming
0~100%. Four dimming curves

IP Rated/Environment temperature

IP20

Display

Strobe: 0-25Hz

LED control: circle control

Controls and procedures

DMX512, manual master-slave, self-propelled,
voice-activated RDM.

DMX Channel: 17CH/21CH.

Cooling system: low noise fan cooling system

Factory configuration

The instructions, power cord and insurance
rope.

Electrical parameters

Voltage: AC90-240V ~ 50/60Hz

Power: 600W

Size and weight

Product Size: 394x355x259 mm

Net weight: 13kg
