

TV-NE380IP

380W BEAM MOVING HEAD LIGHT - IP65

COLOR DISC

GOBO

MAIN FEATURE

- Color wheel: 13 color chips + white light, half-color effect
- 1 fixed gobo wheel: 14 gobos + white circle
- Prism 1: 8 prisms
- Prism 2 : 24 prisms
- prism 1 + Prism 2 to create infinite dynamics and unlimited beam effects.
- Independent atomization soft light effect
- Pan/Tilt: 540°/270°(16bit precision scanning)
- Correction: Pan/Tilt position automatic correction

OPTICAL SYSTEM

- Power Supply: 100~240V, 50/60Hz
- Total Power: 550W
- Light source: OSRAM SIRIUS HRI® 371W S +
- Color temperature: 8000K
- Light source life: ≥3000H
- Focus: 1.8° (fixed focus)
- Dimming: 0-100% linear dimming

CONTROL

- Control Mode: DMX512, RDM
- Control channel: 13/16 CH
- Upgradeable via DMX data cable
- Changing DMX address code, Reset, on and off the bulb remotely from console
- Signal: 3pins XLR input & output
- Power: Waterresistant Cable Gland input & output

OPERATING

- Protection level: IP65
- Working environment: -25°C- 45°C

MEASUREMENT

- Product Size: 248*378.3*554.2mm
- Net weight: 18.5kgs
